## WHEN BROTHERS LIVE TOGETHER IN UNITY...

This is a great saying which is the Holy Spirit included in the Songs of ascents. When the Israelites ascents Jerusalem for the feasts like Pentecost etc. they used to sing this song of ascents individually and collectively. When they enjoyed the blessings of the unity in Jerusalem, it was foretelling the unity of Heavenly Jerusalem. If there is this much happiness when we unite in the mortal earth, how much more it will be in the immortal heaven? The eternal life and God's blessings are promised in such a place where the

brothers live in unity in the shadow of the above hope. David is the author of this Psalm (133).

The Israelites had a golden era during the time of David. David shepherded there with integrity of heart and with skilful hand he led them (Ps 78:72).

The leadership has got a greater part in the unity of the people. The people had a tendency to gather in front of the leadership. The Corinthians split up in front of Kepha, Paul and Appollos. The leaders who canvas the disciples will destroy the unity. The leaders should

have only one aim to encourage the believers to remain true to the Lord with all their hearts. The spiritual leadership should stand for the unity, and then only the brothers will remain in unity.

### Two places of unity. 1. Unity in the family.

In Gen.2:23 we see the unity of first family. Adam accepts Eve with a song "This is the bone from my bone and flesh from my flesh". God establish a family by joining two persons. The family which live in unity only can enjoy the blessing and eternal life.

When the Israelities were ruled by the Judges, they used to commit sin, then God used to punish them. Sometimes they will be given to the enemies and they used to chastise and torture the Israelities. Then the chosen ones will cry unto the Lord and the Lord of hosts will deliver them through prophets or judges. This process can be seen in

the history of the Israelities like waves of the sea. Even we can see that some rulers had utterly failed in their life in their last days. Eli the Priest was one who belonged to that group. From the name Eli we may think that Eli is a woman but Eli is a man with feminine nature and habit. It is the natural tendency of woman to support their children

even in their sinful life. Eli had two children. Both of them were priests. Their names were Hophini and Phinehas. Both of them were wicked and they did not remember or honour the Lord. Can there be such children for a ruler who had been elected by God. The possibility of having such children is there.

**Evangelisation is to proclaim the praises of one who called us 1Peter 2:9. Those who proclaim Him through the mouth should have His qualities like love, Patience and meekness. If they are missing it him people are listening meaningless preaching .... And every one who has this hope in Him purifies himself just as He is pure. This is the preparation to receive the Lord. If we are trapped in the world and its lust and lead a life of unholiness, then our preaching of hope becomes mere mockery**

## On that beautiful shore ...

**Brother P K Mathews (87)** Panickan mattu who was popularly known as 'Geshtan' went to be with the Lord on 15/01/09. He was one of the servants of the Lord who initiated the starting of Suvisheshakan Balasangam.

He is the nephew of the late T K Samuel. He was an employee of the post and telegraph department and so worked in the many southern states of India. He stayed in Madhurai and Trichi for long years and was actively involved in the evangelisation of Tamilnadu along with M E Cherian. He had joined hands with Y M E F and SBS and fought a good fight for propagating gospel. Moreover he was a good elder in the local assemblies wherever he was and discharged his responsibility with dignity, grace and maturity. He was the founder editor of Suvisheshakan Magazine.

He was an embodiment of many good qualities. Humility, gentleness, meekness, innocence tolerance were some of them. He was able to handle even the gravest situation very gently and quietly. He never gave a chance even to the opponents to say a word against him. His smiling face can never be forgotten.

We have lost one more who was a burning flame in the realm of spiritual leadership. Let us pray to the Lord to give some one to take his footsteps and also to console and comfort the grieving family. If we too can follow his footsteps ....

Suvishesha Dhvani and Y M E F joins in the sorrow of the demise of our elder brother P K Mathew.

# DISCARDING THE WARNING

India has passed through a terrible experience during the last days of November 2008. The whole world was frightened and especially India was in the greatest tension in those days. The media telecasted those dreadful attacks of the terrorist. Their aim was to put an end to the financial and industrial growth of India to an extent. America is facing a big financial crisis due to the attack on September eleventh 2001. Before that she was at top of financial stability. The whole world is facing the after effect of that attack. The people are losing their jobs every where.

There are some warnings for all terrorisms. The secret Agencies had given some serious warnings 24 hours before the Bombay attacks. But the authorities discarded those warnings without any seriousness. But this discarding ended up in great disaster. In October 2008 America warned about the possibility of a coastal attack by the Pakistani terrorists. But the Indian Agency discarded it resulting the death of hundreds of innocent people. Same thing happened in TITANIC also. As a result so thousands of people drowned. So many such incidents are in our memory. Many families are in great sorrows.

All these incidents are great warnings for believers. The Satan our enemy very well knows that these are the last days and therefore he is acting in his full swing. But the children of God are sleeping. The children of God should work hard during these days for the construction of the heavenly kingdom. We are nearing to the dark days in which nobody can work. A Christian believer has to face the enemy at any time. His action started at the Garden of Eden and will continue till the second coming of our Lord. But our Lord has shown us an example to fight with him. The perfect and immediate weapon is the word of God. We have to put on the armor and fight in prayer. We are aware of his tactics. The word of God has given us the warning about the end time in which the devil will act seriously. He prowls around like a roaring lion looking for some one to devour. Many things will enter into our body which is the temple of God. But we have to identify it whether it is from God and suitable for the spiritual life. God has given us the word and Holy Spirit as the detector to examine these things. Since so many people are not using it properly they fall into the devil's trap. We should be very cautious in our spiritual life. Let us accept the warning and live a successful life without discarding it.

(When Brothers Live ...contd from page 1)

David's word about his son reveals the glory of the family. (2 Sam 16:11) "My son who is of my own flesh is trying to take my life." David not forgetting glory of the family unity even at the time of family breaks up. During these days we can see many parents bearing the pain of family diversity.

## 2. An Assembly with unity.

Many people who live together are not in unity. But in the church of Jerusalem there was unity (Acts 4:32). All the believers were one in heart and mind. No one claimed that any of his possessions was his own, but they share everything they had. Every day they continued to meet together in the temple of courts. They broke bread in their homes and ate together with glad and sincere hearts praising God and enjoying the favor of all the people (Acts 2:46, 47). There is no wonder in this because every church where there is unity they all enjoy the same happiness. Let us prepare ourselves prayerfully through this study.

### The basic reasons of diversity:

There may be some immediate reasons for the diversity in the church and homes. It may vary in different subjects. But here are some basic reasons.

### 1. There is a seed of diversity in us.

It will be very fearful to know that if there are some tissues of deadly

disease in us. Then and there we will take some safety measures to control it. We should be aware of that the seed of diversity is in us and that is a threat for the church which is the body of Christ. (Rom 7:18). I know that nothing good lives in me, that is in my sinful nature. **There is evil in the flesh.** In Gal 5:19-21 we can see many reasons of diversity like hatreds, discord, jealousy, fits of rage, selfish ambition, dissensions, factions and envy. All the above actions are against the unity. Those who understand their weakness and depend on God will be able to stand for the unity.

### 2. The enemy who brings the diversity is against us.

In the first family the devil deceived Eve and spoiled their unity (2Cor 11:3). We hear the voice of blaming when the unity is lost in Gen 3:12). The man said, the woman You put here with me, she gave me some fruit from the tree and I ate it. In Gen 4:8 we see the fulfillment of diversity which started from our parents. The first family itself reveals the consequences of the lost unity. Right from the first century we could see the devil's attack against the church, which are the factions.

First he tried to persecute the church by the outside actions. The apostles were beaten up and warned of speaking about Jesus. (Acts 5:40). See the verse 41, the apostles left the Sanhedrin rejoicing because they had been counted worthy of suffering disgrace for the Name.

By persecution the church can not be destroyed. In the sixth chapter the persecution starts from inside the church. There was a dispute in the matter of distribution of food for the widows. The devil will work among any good work. The devil was encouraging the act of dissension which is the work of flesh. This was easier for the Satan than the work at the Garden of Eden. When we speak different languages, we should be very careful in communications. The Satan will find some loopholes in it for creating mistrust. But apostles overcame this murmuring created by devil. The church stood firm in unity. The words of our Lord are very important: - The gates of Hades will not overcome it. (Mat 16:18). So the church should stand in the truth. No power could overcome her.

To be continued ...

## Kottarakkara Convention Began

**Kottarakkara:** By the grace of the Lord this year's Kottarakkara convention began on 12th January 2009 at the Gospel hall Pulamon by the prayer of brother K V John Pathanapuram. The opening message was given by P V Benjamin Piravom. The theme of the message was 'the woman with an issue of blood'. Based on the subject he presented gospel. This particular woman's problem was entirely different from the ordinary matter of woman. This problem was haunting her like any thing. She was suffering a lot without any comfort or health. This ill-fated woman spent everything she had. But still she could not get recovery from her illness. As she was moving under the shadow of hopelessness and depression she heard about Jesus of Nazareth. She believed that she could be healed if she could touch His clothes without revealing herself. So she went and touched his clothes and she got recovery. Jesus turned and asked who had touched Him? This woman presented herself to Jesus Christ and fell down before him.

Humanity as a whole is suffering from the fatal disease of sin. They are trying to attain salvation through many means including good works. But salvation can be obtained only from the good doctor Jesus Christ. Nor is there salvation in any other for there is no other name under heaven given among men by which we must be saved. He admonished people to come to Jesus Christ and get salvation and at the same time he reminded the saints to realize the importance of gospel. He challenged and exhorted them to take up this great responsibility to share the gospel to the ends of the world.

## Contd from Page 1

What is born of the flesh is flesh itself. Even though Samuel walked in the way of the Lord and pleased Him his children did not do the same. Children who fear the Lord is a great blessing to the parents. Though the children of Eli desecrated and defiled the sacrifice of God their father Eli did not discipline them. Eli forgot the fact that the Lord who called him for His ministry is a holy, righteous and jealous God. "His sword of judgement and punishment is coming against you and your family." Philistines arrayed against the Israelites. The Israelites were defeated by their enemy because they were not led by the Lord of Hosts, their commander in chief. The Israelites brought the Ark of the Lord in their midst. But they did not realize that the presence

of the Lord was not in the ark. So what an ark do? The defeated Israelites ran for their life from the Philistines. The children of Eli were killed. The Ark was captured by the enemy. When Eli heard all this he fell back and broke his neck and died. Let the Israel lament over the extermination of the whole family of Eli because he was their leader. Your wicked priests got due punishment for defiling the holy sacrifice of the Holy God. At this moment the wife of Phinehas fell and delivered a child. She heard all the news and called her son I-chabod because she knew that the glory has departed from Israel. If Israel confessed their sins then the Lord will forgive their misdeeds and wickedness.

We are living not in the time of the Old Testament but in the New Testament period or the age of grace. It is a good to think that we were the children of God through the redemption that we received. But what is the condition of this born again

group. We speak out with loud voice that we had fallen and gone to the base level. Articles are written and published without any veil. But is there any change, any transformation in anybody? Has the glory of our Lord left from our midst? What all do we hear from the spiritual realm? There are people who drink, there are some wicked and many have strong chord with political parties. Some of our top leaders have strong political ties. What a disgusting state? "Little leaven leavens the whole lump". A single Achan can cause the defeat of the whole nation. Some evangelists are haunted because of their immorality. The misuse of funds are the prob-

lem of some 'honest stewards' and the so called holy men are seen in police stations and courts. Carnal leaders dined and rule God's assembly. Those who proclaim that our Lord became the poorest of all lives in all luxury as millionnaires or multimillionnaires. The modern Iscariots collect money from organisations of false doctrine and spend it to spread heresy and false teachings against sound doctrine. We have all the outfit of spirituality but without anything inside. We have lot of programmes like conventions, conferences, symposiums and seminars but without any fruits or results. Like the Laodiceans we have everything not short of anything but the glory has gone. We have the

Ark but without Shekinah. We have temples but they are dens of thieves. If the good old days have returned is the longing and prayer of few! It was the time when sinners confessed their sins and lamented about their condition, repented and came to the Lord. There was a time when tears ran down the cheeks of many and many new souls were added to the local assemblies after their baptism. They left all their bad habits like smoking, cinema, playing cards, friendship with wicked people, drinking and such. The saints led a holy life. The world could easily testify that they are believers.

Now let us fall down and carry out "Lord that good times has left from us. Glory has departed from us. We confess and repent. Let us be given that good time once again for thy glory, thy glory alone."

## Do we have to tarry further to Possess the Blessings of God

God has not only plans and provisions for the redemption of man kind. At the fall of the first man in the garden of Eden the greatest promise to him by God was that the seed of women will bruise the head of Satan. It was carried out at the right time. God has stored innumerable blessings to those who come to the salvation prepared by Him at the fulness of time. Though we have been redeemed for many years are we still not enjoying the blessings which has been promised to us. Are we still stretching our hands like beggars alms of for the materialistic things. Are we still attracted by the pride of the world when we are supposed to look to the other end.

Once a beggar was begging for alms at the corner of a town. One day he saw a lawyer who was passing by. Their eyes crossed and they looked at each other for a while. Then the lawyer said "I doubt I have seen you some where." "The beggar replied, 'Sir that is right.' We were once friends. We studied in the same class and our class room was on the third floor. Calling him Sam the beggar said "Have you forgotten me? All the doubts of the

lawyer was clear. He felt sympathy for the beggar. He took his cheque book and gave him a cheque of one hundred dollars and asked him to encash it and enjoy life. Tears of joy flowed from the eyes of the beggar. He ran to the bank. When he reached there he was afraid to present the cheque. He thought of torn clothes and shabby appearance. He was afraid because he thought that the bank officers will doubt about the authenticity of the cheque. So he returned.

Next day as the lawyer was passing by he noticed this beggar. The lawyer asked "Did you not encash the cheque? Did you use it for unwanted things? The beggar replied I did not encash the cheque. He told the lawyer all that had happened. Then the lawyer reminded him that it was not his dress or appearance that will give cash for that paper it has his signature that makes it worthy for one hundred dollars. He also advised him to encash it immediately and lead a decent life.

Dear children of God, the promises of our

God is not like the promise of the advocate. The advocate might have written in english the term 'only' after the one hundred dollars. But God gives from His abundance without any limit. How much more He gives who ask Him. So there is no need on our part to go behind this world for momentary pleasures and gains. God has given us a blank cheque duly signed by Him. The sole thing that we have to do is to go to the heavenly bank with his cheque. It is not because of our righteousness or our adornments and good works. But we do reach there in faith. If we have that precious faith all the rest will be settled correctly. Today many believer failed to understand this great truth and so remains poor in spiritual life. Are we still like that beggar in the street? Let us not delay ourselves to possess the great blessings of which we are the heirs. Promises are the steps to the room of blessings.
